Are You Ready for Some Football?

Heading to Super Bowl XXXVI? It's not too late to arrange your flight on one of our luxurious private jets. The annual AFC/ NFC clash is scheduled for Sunday, February 3 in New Orleans. Whether you're flying in for the day, the weekend or the entire week, we'll get you there on time and in style and comfort.

While in the Big Easy, be sure to allow time to soak up some of the city's unique ambience.

N'awlins has a style all its own that includes some of the world's most memorable dining. Sample the coffee and beignets at Café Dumonde, the souffléed potatoes at Antoine's, and the unbelievable po' boys at Acme Oyster House.

Can't get enough football?

There's always the Pro Bowl in sunny Honolulu on Saturday, February 9. Why not take the opportunity to combine the last NFL event of the season with the sun and surf?

Top 10 Reasons for Chartering Private Aircraft

- | | |
|---|--|
| 10. No waiting in line to check your luggage. | 4. We fly when you're ready (not vice versa). |
| 9. No charge for additional passengers. | 3. No waiting line for the restroom. |
| 8. No climbing over other passengers to leave your seat. | 2. More leg room than you need. |
| 7. No annoying snack cart blocking the aisle. | ...and the #1 reason to charter: |
| 6. No plastic utensils or dishes. | 1. Your and you luggage <i>always</i> arrive at your destination at the same time. |
| 5. No crowded terminals and standing in lines to check baggage. | |

Meet Our Fleet

Whether you fly for business or pleasure, across the state or around the globe, Pacific Jet has the perfect aircraft to fit your travel needs. Each of our 28 airplanes is meticulously appointed and maintained, so they're ready to go when you are. Here's a look at our fast-growing fleet:

Gulfstream II, III and IV

Step into luxury with the finest long-range business jet in the skies. Our superior Gulfstream jets provide the perfect place to work or relax while we speed you on your way to any spot on the globe. These large-cabin executive aircraft feature a hostess, full galley, private lavatory, full entertainment and business centers, berthable beds and oh-so-comfortable seating.

Seating: 11-15 • Range: 3,100 miles @ 540 mph

Lear 28, 31, 35, 36, 55

With luxury seating and plenty of speed, our fleet of dependable Lear jets will stylishly whisk you away to your business or vacation destination. Each of our Lear aircraft is newly refurbished and well-appointed, so you fly in complete comfort. Watch a movie, enjoy the scenery below or catch up on that deskwork. You'll arrive at your destination before you know it—refreshed and relaxed.

Seating: 6-8 • Range: 2,300 miles @510 mph

Our Newest Arrival: The Lear 60

The sleek Lear 60 is the newest addition to our Pacific Jet fleet. This beautiful midsize business jet marries dependability and exceptional comfort with a 2,500-mile range. The spacious cabin, private lavatory and superior baggage capacity make the Lear 60 a top performer in its class. It is widely recognized as the quietest midsize jet currently in service, offering virtually unrestricted access to noise-sensitive airports.

Travelin' Around: San Francisco's Pan Pacific

Next time you find yourself in the City by the Bay, take advantage of one of its most luxurious hotels, the Pan Pacific. The hotel has all the service and ambiance you expect from a world-class establishment, and a few extras of its own: guests have a BMW limousine and a per-

sonal valet at their disposal, and the hotel offers an executive center and corporate boardroom for meetings.

Conveniently located just off Union Square, the Pan Pacific is within walking distance of theatres, shopping, museums and many of the city's best restau-

rants. For rates, reservations, and more information, call the hotel (415-771-8600) or log onto www.panpac.com.

Just down the street, the visually stunning Farallon restaurant (415-956-6969) offers a unique, varied menu and spectacular presentation.

Air Chuckles

“Flying a plane is no different from riding a bicycle. It's just a lot harder to put baseball cards in the spokes.”
